S Chief Secretary

Kutob is not wanted on any criminal or political charge in Palestine. I shall be grateful to be advised if when it is decided to repatriate him as he shall be required for internazation on his return to Palestine.

Regarding the first paragraph of Folio ③ a reply to the letter referred to therein was not despatched as a subsequent communication was received from H.N. Consul in which it was advised that as there was still a charge outstanding against Kurob the possibility of his release by Iraqi authorities was therefore precluded for the time being.
